

62-5142

20 July 1962

MEMORANDUM FOR GENERAL CARTER

Prior to your departure, will you arrange for a special alert on the Berlin situation. Special care should be taken at the Communication Centers to study all traffic and to promptly report any intelligence information which might indicate pending actions by the Soviets or East Germans in Berlin, or the access routes thereto.

[redacted] should be instructed in this connection, as should [redacted] in adjacent countries where significant information might develop or be uncovered.

25X1  
25X1

Staff should be instructed to pay particular attention to Berlin traffic in daily evaluation and reporting and special significant items should be disseminated immediately throughout the Community.

  
JOHN A. McCONE  
Director
